HEALTHCARE AT A CROSSROADS

The economics of care delivery are shifting, and affordability, workforce, and access sit at the center of it. The 2026 Virginia Healthcare Conference convenes Virginia's business and healthcare leaders for the conversations setting the direction ahead.

Co-hosted by the Virginia Chamber Foundation and the Virginia Hospital & Healthcare Association, the program also highlights the healthcare and cross-industry priorities advanced through *Blueprint Virginia 2035*.

A ONCE-IN-A-GENERATION MOMENT

- 01 Where the Industry Stands Today**
An honest read on the state of healthcare in the Commonwealth, from delivery models to fiscal pressures shaping the sector.
- 02 Navigating Healthcare's Next Era**
How to address the affordability, coverage, and talent challenges facing Virginia employers and the healthcare system.
- 03 Innovation for the Future**
The innovation, policy, and partnership shaping a more resilient healthcare landscape across Virginia.
